Year long Spirit of Giving

Think about it. You can give help in several ways to our charity schools every time you shop.

- *save Campbell Soup Labels
- *save educational box tops
- *Albertson's "Community

Partners". You must ask for a card & have it scanned with each purchase to help Thompson Ranch School.

*Fry's also has a "Cool Cash" earning for learning program.

Have your friends also collect for you and lets keep on giving.
