Attention:

We need volunteers for chairing the spring Craft Show. Unless we get a chair person or persons by this week we will not be in the Craft Show and we will lose our table placement for future shows. Please think about this.

Changes to charities that Encore will support that were decided at the last business meeting:

Charity items will be collected on the last Friday of the month only.

Bins will be set up for each charity along with a list of items needed for that charity

Charity chairpersons will be responsible for collecting the items and distributing them to the charities after the meeting

Donations will be made to two elementary schools instead of five.

The charities Encore supports are checked out and have to be approved by the club in order to give credit to individual members.

Judy volunteered to take the left-over closet sale items to hospice.

There was a discussion about donating items to the Gray Matter Foundation that supports people with brain cancer. Pat Korver will collect items. No club credit will be given for these donations.

Donating to the Hopi Indian Reservation was discussed and anyone wishing to donate to them can give items to Kathy Holm. No club credit will be given for these donations.

We will stop doing show and tell for the front table only. You can still show your donated items by keeping them at your table and donating them after show and tell.

We will continue making bears. This starts again in March.
