## MIXED NUT BARS Recipe from Jean Anderson

1 1/2 Cup flour  
 3/4 Cup packed brown sugar  
 1 teaspoon salt (optional)  
 1/2 Cup soft butter or margarine

Mix the above ingredients as if for pie crust. Pour into a 9 X 13 pan. Press lightly. Bake 10 minutes at 350 degrees. Cool slightly.

1 large package of butterscotch chips (approximately 2 Cups)  
 1/2 Cup light corn syrup  
 2 Tablespoons butter or margarine  
 1 teaspoon vanilla (optional) \*\*\*\*

Melt and stir above ingredients in a saucepan. Pour and spread over base.

1 (12 Ounce) can mixed nuts (\*approximately 2 Cups) . Pour and spread over base and melted mixture. Press lightly into the mixture.

Bake 10 minutes at 350 degrees.

NOTE: I use the cheaper cans of mixed nuts with some peanuts in. If you use the fancy cans with no peanuts it is harder to cut all the large hard nuts. People seem to like it either way. Several people have reported to me that Walgreens brand nuts seem to give it an off flavor. So I would stay away from them.

\*\*\*\*Try this recipe without vanilla first to see if it is needed. I have made it both ways.
